Subject:	Important notice about voting time on June 16
	Team, There is a measure on the June 16 primary ballot that directly affects this business — State Question 832, which would raise the minimum wage to \$15/hr by 2029 and tie future increases to inflation with no cap. I want you to have the facts before you vote. More importantly: you have 2 hours of paid time off to vote. Every single one of you. No conditions, no paperwork — just let me know when you want your window and I will make it work. Polls are open 7 AM to 7 PM on June 16. Find your polling place at elections.ok.gov. Registration deadline is approximately May 22. Your vote is private. I will never know how you voted and I will never ask. This is just about making sure you have the chance.
